DAN 9:25 Know therefore and understand that from the going forth of the command to restore and build Jerusalem until Messiah the Prince, there shall be seven weeks and sixty two weeks... And after the sixty two weeks Messiah shall be cut off but not for Himself. And the people of the prince who is to come shall destroy the city and the sanctuary. The end of it shall be with a flood and till the end of the war desolations are determined. Then he shall confirm a covenant with many for one week. But in the middle of the week He shall bring an end to sacrifice and offering. And on the wing of abominations shall be one who makes desolate. Even until the consummation, which is determined, is poured out on the desolate

Todays English Version

Daniel 9:27

that ruler will have a firm agreement with many people for seven years and when half this time is past, he will put an end to sacrifices and offerings. **The Awful Horror will be placed on the highest point of the Temple and will remain there until the one who put it there meets the end which God has prepared for him.**

New International Version

Daniel 9:27

He will confirm a covenant with many for one seven. In the middle of the seven he will put an end to sacrifice and offering. **And on a wing of the temple, he will set up an abomination that causes desolation, until the end that is decreed is poured out on him.**

the New King James.

Daniel 9:27

Then he shall confirm a covenant with many for one week. But in the middle of the week He shall bring an end to sacrifice and offering. **And on the wing of abominations shall be one who makes desolate Even until the consummation which is determined, Is poured out on the desolate.**

King James

Daniel 9:27

And he shall confirm the covenant with many for one week : and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

of what is this speaking ? It is giving us information that after the cessation of sacrifice and offering, which would have to be 33 AD, there would be a time of overspreading of abominations. That sounds like the events that will occur just before the end of time. When we study the Bible we find that near the end of time Satan is loosed to deceive the nations (Rev 20). At the end of time, the rebellion comes. We read about this in II Thess 2, in relation to the man of sin, who takes his seat in the temple. At the end of time wickedness will multiply, as Jesus tells us in Matt. 24 This is the time of the overspreading of abominations, This is the time of the final tribulation.

The overspreading of abominations is to be followed by the consummation. It will be followed by the determined end, the determined decree, that shall be poured upon the desolator. It is at the end of time that Judgment Day will come, at which time God's judgments are poured out upon the ungodly and upon Satan. This is the consummation, the time of the decreed end. Therefore, God is declaring here that the last half of the seventeenth seven goes all the way from the cross, when sacrifice and offering ceased, to Judgment Day itself, at the end of time.
